- OUTDOOR FREE PLAY (K-5)

FRIDAY
5:00-6:00 P.M.
- LAST HOUR LAUGHS
Beyblade Bonanza – Calling Beyblade fans! Let it rip with your Afterschool pals and compete to friendly matches and challenges! All equipment will be provided.

Brain Busters - Your mind is a muscle! Work it out with various puzzles, games, and activities to push your noggin to the limits!

Bob the Builder - In this class your child will let out their inner architect by building! Not limited to Legos, create multiple freestanding objects out of fun, bright, and colorful materials, such as popsicle sticks and straws.

Buggy About Bugs - What can be more interesting than bugs? Be a naturalist and explore snails, roly-polies, lady bugs, lifecycles and much more. You will experience live critters and keep a journal of your findings. Bring your curiosity and observations skills to learn more about the world around you.

Cooking - Rise and shine as you prepare and enjoy the most important meal of the day – BREAKFAST! Together we will create a series of pleasing morning meals. From perfect pancakes to French crepes, French toast to egg-xtraordinary egg dishes, simply divine will be our culinary fare.

Crayola Creations - Let’s see the different ways we can color the world with crayons. We will do creative crafts using Crayola products. We will also be doing canvas painting, coloring, spray bottle painting and much more.

Crazy Crafts – Let’s get craft crazy and create some great art. We will be doing everything from collages, edible sculptures, tie dye, wind chimes and funny hats.

Disney Fun - Hakuna Matata! It means no worries, and that’s what this class is all about! Having fun and not worrying. Join us as we play games, create Disney Crafts and yummy Disney character related snacks. If you love anything Disney then join us on a magical Disney Adventure!

Domino - Join us for an intense game of number recognition, anticipation, addition and multiplication. Discover patterns and strategies to help you dominate the table. If you love numbers and counting by 5s, this is the class for you!

Fashion Lab - Fashionistas are welcome to come join us for small project based designs. We will be doing projects such as tie dye, hat decorating, bag design, fun pillows and more! Fashion Lab has a material's fee of $80.

Fit and Fun - Enjoy an hour packed with fitness and movement. Children will develop their cardiovascular endurance, muscular strength, balance, flexibility, confidence and knowledge of health. Your kids will love making fitness and healthy eating a lifelong habit!
Geology Rocks - Learn all about the processes that form, reshape, and change rocks and the Earth itself. Students will analyze the different types of rocks, the forces that change them from one type of rock to another, and the major differences between igneous, metamorphic, and sedimentary rocks. In addition, students will learn facts about Earth’s interior, volcanoes, and earthquakes.

Hip Hop - Enjoy a fun, up-beat class featuring the latest hip hop moves with Ms. Jasmine.

Krazy Kickball - Come play kickball!! It’s a great game for any age and any skill level. All skill levels are welcomed and encouraged to join.

Pokémon! - Learn the basic rules of Pokémon. Children will also receive tips on deckbuilding and gameplay for players looking to develop a more competitive game strategy.

Potions, Potions, Potions - Learn how to make cool and creative potions just like Harry Potter. If you like to mix things and create fizzle, this is the class for you.

Programming with a Microcontroller - Students will learn how to code a Micro Bit, a miniature computer that can be programmed to perform a variety of functions. Students will learn the basics of coding to create a variety of programs from short tutorials to complex projects. Once students understand the basics, they can choose projects to tackle such as programming a makeshift guitar, a watch, or any ideas the student may have that is within reason.

Puzzlemania - Let’s have fun solving puzzles while sharpening our thinking skills.

Mathtastic - Can you figure out this math problem? Math is more than numbers. It can also be word problems and turning those words into numbers. Get lots of practice in solving puzzles, playing games, reviewing money decisions, and turning a graph into a piece of cake. You can “count” on enjoying this class.

Intro to Rhythms - Musicians assemble! Beginner drums is for those musicians that want to be introduced to the beat of music with drums! In this class we will be introduced to the basic tempos of music. Also become familiar with the different parts of the drums and we will also touch on reading drum music.

Silly Science - Little scientists will work in their labs to get a better understanding of basic concepts of science in a fun and artistic way that kids enjoy.

Spanish - Practice makes perfect! Improve your Spanish skills and vocabulary through songs, games, and skits with our seventh grade Spanish teacher, Mr. Lugo.

Sparkle and Shine - Is sparkle your favorite color? Make brilliant, sparkly masterpieces and learn different art terms and techniques as they get messy with Model Magic®, plaster of Paris, and more spectacularly sparkly supplies. Projects will glitter, gleam, sparkle and shine.

Spirit Club - Our teams need to be cheered on! We need students that are full of spirit and are ready to not only cheer at games, but also perform for assemblies or during half time. By signing up for this class, you are signing up to be part of a team. We will learn cheers, jumps, routines, and flexibility.
Team Sports - Play a variety of competitive sports during this high-energy hour, including baseball, soccer, kickball, and dodgeball. Activity leaders will provide helpful coaching and instruction while stressing the importance of good sportsmanship and physical fitness. Young athletes of all skill levels are welcome to participate as we learn new games and improve at others.

To the Moon and More! - Let’s gather around the campfire and learn about the galaxy together! To the Moon and More is a fun and creative way to teach your children about space. We will explore the planets, stars, moons and so much more with fun videos, coloring, and even Nilla Wafers!

Volley Tots - This program emphasizes motor learning and development through various volleyball skills.

Chandler Afterschool Program
SPECIALTY CLASSES
Session II: Kinder - Fifth Grade
January 6 - April 3, 2020

Basketball
Classes include specialized instruction, emphasizing the fundamentals: dribbling, passing, shooting and rebounding.

Hip Hop: Jojo’s Dance Divas and Dudes
JoJo’s Dance Divas & Dudes Hip Hop Program is 2 legit 2 quit!!! In this popular class, young dancers will discover how to move their bodies in a creative and unique way. Very different from Ballet or Jazz, Hip Hop is a very aerobic form of dance with movement that can be very personal. Although experience helps, Hip Hop can be created and executed without any proper dance training. Children will have a blast creating and making discoveries in their “super swag garb” while they execute some “on fleek” moves.

Kinder - First Grade: Thursdays 2:00 - 3:00 p.m.
Second - Fifth Grade: Thursdays 3:00 - 4:00 p.m.
$220/11 classes

Class dates (11)
| January 9, 16, 23, 30 |
| February 6, 13, 27 |
| March 5, 12, 26 |
| April 2 |
Leather Crafting
Learn how to prepare leather to work with, learn basic tooling (carving, stamping, cutting), applying snaps and rivets, special braiding techniques, stitching, sawing, staining, polishing and caring for leather goods. Each week we are going to work on a different project and they can take home the finished products. We are making items they can use or gift to a special someone. They are very proud of their creations and love to show off their hard work. A few examples are keychains, bracelets, hair-clips, necklaces, bookmarks, pencil cases, belts or dog collars. I am looking forward to have your child in my class!

Szilvia Bartha - Owner at Turul Leatherworks

Second - Fifth Grade
Classes (10)
January  15, 22, 29
February  5, 12, 26
March  4, 11, 18, 25

Performance Play: Jojo’s Dance Divas and Dudes
It’s showtime! This Performing Arts class features storytelling and character creation using your child’s imagination through body movement, vocalization, and even some puppet play. This class will allow your child to become a great story teller, express themselves like never before while building confidence in a welcoming and safe environment.

Kinder - 1st Grade
Class dates (10)
January  6, 13, 27
February  3, 10, 24
March  2, 16, 23, 30

Radical Cooks
Seasonal Sweet and Savory Pies and Pastries - Not much can beat the tastiness of a homemade pie or pastry. This baking class includes both savory pastries focusing on ingredients like winter squash and curry flavors, and sweet pies such as the classic apple pie, pumpkin pie, and more. Students also learn how to employ essential spices like cinnamon, nutmeg, and allspice to maximize flavor.

Second – Fifth Grade
Class dates (12)
January  7, 14, 21, 28
February  4, 11, 25
March  3, 10, 17, 24, 31

Sports Madness
K-1: Introduce your Little Athlete to the foundation of sports and team play (Soccer, Tee-Ball, and Basketball) in this multi-sport program. We will work on balance, hand-eye coordination with a ball at their feet and in their hands. Games emphasizing listening, memory, numbers, colors and following directions will be taught. But most of all we will play in the land of your child's imagination and have FUN!! Our coaches have a true love for sports and a fierce dedication to teaching children character through the GROWTH MINDSET. Our coaches have played and/or coached high-level sports from Academy, Collegiate, Semi-Professional up to Pro with backgrounds in Early Childhood Development, Education and/or Behavioral Sciences.

2nd-5th: Introduce your Young Athlete to the foundations of sports and team play in this elementary level multi-sport program. We will cover several sports such as Soccer, Tee-Ball, and Basketball! Fun games will be played applying the skills taught. We will introduce basic rules, fundamental skills and also connect similar skills
from one sport to the next. Children will work towards teambuilding & gameplay. Our coaches have a true love for sports and a fierce dedication to teaching children character through a GROWTH MINDSET. Our coaches have played and/or coached high-level sports from Academy, Collegiate, Semi-Professional to Pro and have backgrounds in Early Childhood Development, Education and/or Behavioral Sciences.

Thursdays 4:00 - 5:00 p.m.

Class dates (11)  
January 9, 16, 23, 30  
February 6, 13, 27  
March 5, 12, 26  
April 2

SPECIALTY CLASSES  
Session II and III: Kinder - Fifth Grade  
January 6 - May 29, 2020

Beyond the Books  
Does your 3rd grader enjoy reading? Want he or she to read more but just can’t find a title to interest them? Perhaps they want to share their thoughts on the books they read with their friends and fellow classmates? Or do they just want to learn about and read good books in an engaging environment? If so, then Beyond the Books with Mrs. May is for them. Twice a month students will meet after school to read and discuss classic and contemporary children’s lit. The students get to keep copies of all the books they read and light, tasty, and healthy snacks will be provided.

3rd grade boys and girls will meet on alternate Tuesdays twice a month from January to June (dates to follow from Mrs. May).

Third Grade  
$200/ 10 book club meetings  
Tuesdays 3:00 - 4:00 p.m.

CONTINUING YEAR-LONG SPECIALTY CLASSES  
January - May, 2020

The following Specialty Classes will be continuing their regular schedule for the remainder of the school year January through May.

- Mandarin
- Beyond the Books (Grades 4 & 5)
- Chess Club
- Instrumental Music
